Our contract with you

This is your Classicline Classic Car insurance policy and is a contract between you and us. It is not our intention that the Contracts (Rights of Third Parties) Act 1999 gives anyone else either any rights under this policy or the right to enforce any part of it.

In return for you paying or agreeing to pay the premium, we will provide cover under the terms and conditions of this policy for those sections of the policy stated on your schedule, up to any limits set out in your schedule. This cover will be against any unforeseen injury, loss or damage that happens during the period of insurance and within the geographical limits, except in cases where Section 3 or 9 applies.

Your policy is based on the answers you gave on the proposal or that which is shown in a statement of fact and any other information you gave us. Earthquake

Deliberate acts

This policy will not cover loss, damage, injury or liability arising from any deliberate act by you or someone insured under this policy.

Conditions that apply to all of this policy

General

You and anyone else insured must keep to the terms, conditions and endorsements of the policy; if anyone fails to do so, we may not pay your claim.

Your duty

Whenever you take out or ask us to make changes to your policy, you must take reasonable care to:

- Supply accurate and complete answers to all questions
- Ensure the statements declared on the statement of fact are accurate; and
- Make sure that all other information supplied to us is accurate and complete.

We will treat your policy as if it had not existed and keep any premium paid from the start date or the date that any changes were made to the policy (as the case may be) if you:

- Deliberately or recklessly gave us inaccurate or incomplete information; or
- Did not take reasonable care to give us accurate and complete information, in circumstances where we would not have issued this policy to you at all.

In all other cases, if you fail to exercise reasonable care we may refuse to pay all or part of a claim. If we would have:

- Provided cover to you on different terms, had you provided us with accurate and complete information, then the policy will be treated as if it had contained such terms. In such circumstances, we will only pay a claim if it would have been covered by a policy containing such terms.
- Provided you with cover under this policy at a higher premium, the amount payable on any claim will be reduced proportionately, based on the amount of premium that we would have charged. For example, we will only pay half of the claim, if we would have charged double the premium.

If we discover inaccuracies in any of the information you provided us with which would have made a difference to the premium charged, before any incident which might give rise to a claim has occurred, we may, at our discretion, offer you the option to pay the additional premium in return for us not reducing the amount payable on any future claims under the policy.

Conditions that apply to all of this policy

Changes you must tell us about

Please tell us about any changes to your circumstances. If you fail to do so, your policy may not be valid and we may not pay your claim. For example, you must tell us if:

- you want to change the drivers insured under this policy;
- you move house or change the place you keep your classic car;
- you expect to do fewer or more miles each year;
- your name changes (for example, by marriage);
- your driving licence number (DLN) changes;
- you change your classic car or the owner of your classic car changes;
- you change what you use your classic car for (for example, you start using it for business purposes);
- you get a new job (full-time or part-time) or take on a second job;
- you make changes to your classic car (including fitting security devices);
- the condition or specification of your classic car changes (if your classic car is covered on an agreed value basis); or
- you develop any physical or mental health problem that affects your ability to drive.

Please note, this is not an exhaustive list. If you are not sure whether you need to tell us about a change in circumstances, tell us anyway.

Fraudulent claims

We will not pay any claim if:

- Any claim or part of any claim is fraudulent, false or exaggerated;
- Falsified documentation is submitted in support of a claim; or
- You or any other person who claim under this policy makes a dishonest or false statement to us in support of a claim.

In these circumstances, all cover will be cancelled from the date of the fraud and no premium will be refunded. If we have made a payment we would not otherwise have made you must repay that amount to us.

We may also notify relevant authorities, so that they can consider criminal proceedings.

Conditions that apply to all of this policy

How to claim and how to tell us about claims which may be made against us

(In this condition only, you means you, your legal representative or anybody insured under this policy.)

You must give us, as soon as possible, full details of any event that could lead to a claim under this policy. You must not:

- admit an accident is your fault;
- negotiate to settle any claim; or
- offer or promise anything without our permission in writing. You must send us, unanswered, any documents you receive to do with the claim (or any accident or event which may lead to a claim).

If you know about any possible legal action or inquiries that might be carried out, you must tell us immediately in writing. We may, in your name, take over and deal with a claim and try to recover from others any money we have paid out under this policy. At all times you must give us whatever help we need.

Right of recovery

If the law of any country where you are covered by this policy says we must settle a claim which we would not otherwise have paid, we can ask you (or the person who caused the event) to pay us that amount.

Other insurance

If you are covered by any other policy for any claim, we will pay only our share of the claim.

Taking care of your classic car

You must make sure that:

- your classic car is in a roadworthy condition and is safe to drive; and
- you do all you can to keep your classic car and its contents safe.

If your classic car is damaged by something covered under this policy, you must do whatever is necessary to protect your classic car and its accessories from further loss or damage. If we ask, you must let us examine your classic car as long as we give you notice. Your classic car must have a current MOT certificate (if it applies).

Conditions that apply to all of this policy

Cancelling your cover

You can cancel this policy at any time by calling your insurance agent at Classicline. If cover has not yet started we will refund any premium paid in full. If you cancel within the first 14 days, we'll refund you for the time that is left on the policy, providing a claim has not been made under the policy. If you cancel after the first 14 days and as long as you have not made a claim under the policy, nor has an incident occurred which may give rise to a claim, we will refund part of your premium on the following basis.

Months on cover	Up to 1	Up to 2	Up to 3	Over 3
Amount of refund due	60%	40%	20%	Nil

If a claim has been made you must pay the full annual premium and you will not be entitled to any refund.

In subsequent years, as long as you have not made a claim under the policy or an incident has not occurred which may give rise to a claim, we will refund you for the time that is left on the policy. If a claim has been made you must pay the full annual premium and you will not be entitled to any refund.

We will cancel your policy from the date agreed.

We or agent at Classicline can cancel this policy by sending you seven days' notice to your last known address. The reason for cancellation will be set out clearly in the communication with you. Valid reasons include, but will not be limited to, those listed below;

- Changes to the information detailed on your proposal, statement of insurance or statement of fact, schedule or certificate of motor insurance which result in us no longer wishing to provide cover.
- Where the circumstances of a new claim, or an incident we have become aware of, result in us no longer wishing to provide cover.

Conditions that apply to all of this policy

Canceling your cover

- Where we suspect fraud on this or any other related policy.
- Where you, a person acting on your behalf, or any person covered to drive the vehicle uses threatening, intimidating or abusive behaviour or language towards our staff, suppliers or agents acting on our behalf, including your insurance adviser.
- Where any person claiming cover under this policy fails to provide us with any reasonable information we ask for.
- Where a misrepresentation has been made that results in us no longer wishing to provide cover.
- Where we are unable to collect a premium payment due to insufficient funds in the account you have nominated to pay from (notice will be sent to your last known address allowing you an opportunity to rectify the situation, and confirming that a second attempt to collect the payment will be made).
- Where we are unable to collect a premium payment due to a Direct Debit Instruction being cancelled (notice will be sent to your last known address allowing you an opportunity to rectify the situation by reinstating the previous Direct Debit instruction, providing a new Direct Debit instruction or by providing the full outstanding premium).

If you sell or get rid of your classic car, you must tell us immediately. All cover under this policy will stop unless you replace your classic car and give us its details within seven days of getting rid of your previous classic car.

Agreed value

You must send all photographs and valuations that we or your insurer need as evidence of the value of your classic car. If we or they have not received and accepted the photographs and valuations we or they need, any loss or damage to your classic car will be based on the market value of your classic car and not on the agreed value of your classic car.

Settling disagreements

If we accept your claim under sections 2, 6, 7, 8, 9 or 11 of this policy but we and you cannot agree the amount we should pay, we will pass the matter to an arbitrator to decide. The arbitrator is an independent person who we and you will appoint in line with the law in force at the time. You cannot take legal action against us before the arbitrator makes a decision.

Making a claim

If you are involved in an incident or your classic car is stolen. 7

Call us on 0333 400 8184 or, (+44) 333 400 8184 if you are phoning from outside the United Kingdom) as soon as possible. You can do this at any time of the day.

You will need to provide

- your policy/certificate number;
- your personal details and those of the driver; and
- full details of the incident and any other parties involved.
- Your claim will be validated and discussed to establish how it can be progressed.

Getting your classic car repaired

If your classic car can be repaired, we will agree with you how to repair it.

If you want, you can arrange for a repairer you choose to carry out the repairs. If you want to do this, you must send us a detailed repair estimate and full details of the incident before your repairer starts any work.

When your classic car has been repaired, you will need to pay the repairer the excess and any contribution that may apply.

If your classic car cannot be repaired

If your classic car cannot be repaired, we will call it a total loss and it will become our property. You must send us its registration document (V5 or V5C).

If it is possible to do so, we will immediately move your classic car to a place it can be stored, so please make sure you remove all your belongings from your classic car.

For reasons of safety and to prevent fraud, insurers actively discourage policyholders from keeping a vehicle that has been declared a total loss, and future insurance on these vehicles may not be available.

Making a claim

If your classic car cannot be repaired

Before we can deal with your claim as a total loss, you must send us:

- the MOT test certificate (if this applies);
- all sets of classic car keys;
- details of any money you still owe for your classic car; and
- any other documents you may want us to take into account when valuing your classic car (such as your classic car's service history);
- purchase receipt (if available).

If possible, please also send us the receipt for your classic car.

Please send the documents to us direct so we can pay your claim as soon as possible.

We will contact you to agree the market value of your classic car, unless there is an agreed value for your classic car shown on your schedule. From this value we will take off the amount of:

- any excess;
- any outstanding finance; and
- any premium you have not yet paid.

If your classic car is stolen

If your classic car is stolen and is recovered, but it has been damaged, we will either repair it or treat it as a total loss as described above.

If the car is not recovered we will treat it as a total loss.

We place all claims for a total loss on a register shared by a range of insurance companies. This is to protect us against fraud.

Personalised number plates

If your classic car is stolen and not recovered, or declared a total loss, you should contact the DVLA as soon as possible to transfer your number plate to a replacement vehicle.

Making a claim

Claiming for 'uninsured losses'

When you make a claim, any costs which are not included under your policy (such as your policy excess) are known as 'uninsured losses'.

If you have an accident and it is not your fault, you may be able to claim these costs back from the other driver. Before you contact the other driver or their insurers direct you must tell us that this is what you plan to do.

You may have separate insurance that pays the costs of claiming for your uninsured losses. Please check your policy documents.

Damaged windscreens and glass

If you need to claim for a damaged windscreen or damaged glass, phone the Glassline on 0800 174 764 and show the repairer your current certificate of motor insurance when they repair the glass.

What to do if you're not happy with our response

In the unlikely event that we haven't responded to your complaint within eight weeks or you're not happy with our final response you have the right to take your complaint onto the Financial Ombudsman Service but you must do so within six months of the date of our final response.

The Ombudsman is an impartial complaints service, which is free for customers to use and taking your complaint to the Ombudsman does not affect your right to take your dispute to the courts.

You can find out more information about how to complain to the Ombudsman online at:

www.financial-ombudsman.org.uk.

Alternatively, you can write to the Ombudsman at:

What to do if you have an accident

If you are involved in an accident or your classic car is stolen, call **0333 400 8184** (+44333 400 8184 if you are phoning from outside the United Kingdom). Lines are open 24 hours a day.

The following guidelines will help us to help you with your claim.

1 - Stop your classic car if you

- have an accident with another vehicle;
- hit a pedestrian;
- hit certain animals (for example, farm animals or dogs); or
- hit another person's property.

It is against the law to drive away.

2 - Exchange all details

Make sure you get:

- the names, phone numbers and addresses of everyone involved (including any witnesses);
- the details of their insurance companies (including names and policy numbers if the people know them); and
- the registration numbers of the vehicles involved.

3 - Show your certificate of motor insurance

- If someone is injured in the accident, you must show your certificate of motor insurance to anyone who has a good reason for asking to see it.
- You must also tell the police within 24 hours of the incident, and also show them your certificate of motor insurance.

4 - Do not admit blame or offer any payment

Accidents are stressful, but it is essential that you do not:

- admit blame; or
- make any offer of payment;

as it could make it more difficult for us to manage your claim and may also affect your rights.

Please tell us if any other person admits the accident was their fault.

What to do if you have an accident

5 - Record all the facts

Write down all the facts of the accident as soon as possible, no matter how trivial the fact may seem at the time – these facts may help us prove your case.

- If you have a camera handy, take a photograph of the scene and any damage.
- If you do not have a camera, draw a diagram of the scene. Show as much detail as you can – for example, the position of all the vehicles involved (before and after the accident), road names, road signs and markings, the width of the road, skid marks, where the witnesses were, and anything that was blocking your and other people's views.
- Write down what the weather was like, including whether it affected visibility and the condition of the road.
- If anyone is injured, write down their name and their injury.

6 - Letters and documents

All letters and documents you receive to do with the incident should be forwarded to us unanswered.

7 - Theft

If your classic car or its contents are stolen, you must report it to the police as soon as possible.

8 - Note

It will help speed up your claim if you have all your documents to hand such as your:

- certificate of motor insurance;
- driving licence; and
- MOT test certificate (if this applies).

We will then guide you through the claims process.

What happens next is on page 26 - entitled:
