Information we collect

We only ask for information that **we** need, and have strict controls to keep it safe. **We** collect **your** personal information to provide **our** products and services (eg handling **your** claims) to **you**. Personal information **we** collect will be held in digital and/or paper files. **We** collect personal information such as name, address, date of birth, criminal convictions, health, and claims history. **We**'ll also collect information which relates to the things **you** want to insure (for example **your** house or vehicles).

We collect personal information about everybody named on **your** policy, quote, incident or claim when **you**:

- ask for a quote or apply for a policy
- buy and/or use a product or service
- ask **us** a question
- make, or inform **us** of a claim or incident
- update **your** personal details

Legal grounds for processing personal information

We collect **your** personal information to provide **our** quotes, products and services to **you**.

As a regulated financial services organisation **we**'re required to comply with legal and regulatory obligations such as the prevention, detection and reporting of fraud and other financial crime.

IMPORTANT INFORMATION CONTINUED

We'll process personal information for **our** legitimate interests, when **we** have a business reason to do so, to:

- develop, improve, and personalise **our** products, pricing and services
- enhance **our** customer service, experience, and relationship (eg customer and market research, business analysis, provide relevant product and service information)
- help detect and prevent fraud and financial crime
- develop and improve **our** administration, security systems and insurance applications
- share it with third parties in the event of organisational change (eg if **we** bought or merged with another organisation)

If **we** need **your** consent to process personal information **we**'ll ask for this first. **You** can withdraw **your** consent at any time.

We'll ask for **your** consent (or next of kin's), to obtain any medical / health information **we** need. In an emergency **we**'ll manage claims until **you** or someone else is able to act on **your** behalf.

Automated decision making and profiling

We use automated decision making to help determine the prices, policy terms, relevant products/services, when **you** research or ask for a quote, buy insurance, make any changes, renew or make a claim. **We** may also profile **you** based on **your** personal information and that provided by third parties. Profiling may be used to help determine the likelihood of a claim or policy transaction being fraudulent.

Profiling will also be used to enhance **our** understanding of **you** and to inform **our** business decisions (eg product design, pricing, customer journeys or marketing strategy).

Please see the personal information rights section below.

IMPORTANT INFORMATION CONTINUED

Multiple policies at the same address

We may provide a discount if there is more than one policy at the same address. This could result in anyone at the address who has a policy or quote with **us** then being made aware that someone else living there also has insurance with **us**.

International transfers

In the event that **we** process personal information outside the UK, the processing in those locations is protected by UK and European data standards.

Where **your** claim occurs abroad **we** will also send data to the necessary service providers and agencies as required to service **your** claim.

Financial crime & fraud prevention agencies

The personal information **we** have collected will be shared with crime prevention agencies who will use it to prevent financial crime and fraud and to verify **your** identity. If financial crime or fraud is detected, **you** could be refused certain services, finance or employment. Where **we** suspect financial crime or fraud, **we** may cancel any policies **you** have with **us**, not be able to pay any claim or offer **you** the requested product or service. **We** may share relevant information with crime and fraud prevention agencies, law enforcement agencies and other relevant organisations.

Regulatory bodies

Your personal information will be used or disclosed as required to regulators to monitor and enforce **our** compliance with any regulation.

Claims and Underwriting Exchange and other databases

You must tell **us** about any claim or accident, even if it wasn't **your** fault. **We**'ll share this information and **your** personal details with databases such as the Claims and Underwriting Exchange (CUE). **We** may search these databases when **you** apply for insurance, make a claim or renew **your** policy, to validate **your** claims history (or that of any other person or property likely to be involved in the insurance or claim).

IMPORTANT INFORMATION CONTINUED

Credit search and identity check

In order to process **your** application **we**'ll supply **your** personal information to credit reference agencies (CRAs) and they'll give **us** information about **you**, such as about **your** financial history. **We** do this to assess creditworthiness, check **your** identity, manage **your** account, trace and recover debts and prevent fraud and other financial crime.

We'll also continue to exchange information about **you** with CRAs on an ongoing basis, including about **your** settled accounts and any debts not fully repaid on time. CRAs will share **your** personal information with other organisations. **Your** data will also be linked to the data of any joint applicants or other financial associates **you** have.

The identities of the CRAs and the ways in which they use and share personal information are explained in more detail at experian.co.uk/crain, callcredit.co.uk/crain and equifax.co.uk/crain.

Brokers

If **we** get **your** details from an insurance broker, **your** personal information (eg policy details, claims, payment, suspected fraud and other financial crime information) will be shared with them.

Partner or affinity associations

If **you** get a quote or buy through one of **our** partner or affinity associations, **we** may pass some of **your** personal information back to them (eg policy details, claims, membership and suspected fraud and other financial crime information).

Incidents or claims

When **you** tell **us** about an incident or claim **we**'ll share this with relevant agencies and appropriate service providers. **We**'ll also collect information from anyone else involved as necessary, eg claimant, witnesses or police.

Public information

We may use public information (such as electoral roll, county court judgements, vehicle taxation status, MOT status, bankruptcy or repossessions).

IMPORTANT INFORMATION CONTINUED

We'll check and exchange information with industry databases, such as:

Specialist services we use

We use other companies to provide some services, eg banks and building societies, breakdown and recovery agents, claims adjusters, claims suppliers, legal service providers, communication services, debt recovery agencies, marketing, fraud and other financial crime investigation services etc. They'll be given the personal information they (or their sub-contractors) need to manage their service.

Market research agencies

We may share **your** personal information with market research agencies who will conduct market research and business analysis on **our** behalf.

Reinsurers and reinsurance brokers

We may need to share any personal information, including policy, claims, medical, and suspected fraud and other financial crime information, with **our** reinsurers and reinsurance brokers. Reinsurers provide insurance policies to insurance companies. Insurance companies engage a reinsurance broker to advise and assist in arranging a re-insurance policy.

IMPORTANT INFORMATION CONTINUED

Other insurers

When necessary **we** share **your** personal information with other insurers if **you** make a claim, to verify that the information **you**'ve provided is correct and prevent financial crime and fraud. If **you** move to a new insurer **we** may confirm certain details about **your** insurance to them. **We**'ll only do this if **we**'re sure it's a genuine request.

DVLA

If **you** give **us** a driving licence number when getting a motor insurance quote, **we**'ll pass it to the DVLA MyLicence service to verify the status of the licence and entitlement. **We**'ll then get any relevant restriction information, endorsements and / or conviction data.

Motor Insurance Database

We'll add details about **your** insurance policy to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- electronic licensing
- continuous insurance enforcement
- law enforcement (prevention, detection, apprehension and / or prosecution of offenders)
- the provisions of government services and / or other services aimed at reducing uninsured driving

If **you**'re involved in a road traffic accident (either in the UK or abroad), insurers and / or the MIB may search the MID to obtain relevant information. Other persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including foreign citizens) may also obtain relevant information held on the MID.

It's important that the MID holds **your** correct registration number. If not, **you** risk the Police seizing **your** vehicle. **You** can check that **your** registration number is shown on the MID at askmid.com

IMPORTANT INFORMATION CONTINUED

Medical and other health services

If **you** make a claim and give **us your** consent, **we**'ll get **your** medical information from the relevant health provider, eg doctor or hospital.

Claimants

We may be given information by a claimant or their representative, a witness or family member, to support a claim or to pursue a claim against **your** policy.

Other insured parties

An insured party on **your** policy (eg named driver) may notify **us** of an incident or claim against **your** policy.

Law enforcement and government agencies

Information may be given to **us** by law enforcement agencies (eg the police) about an incident which may result in a claim or may affect a policy or ongoing claim.

Giving someone permission to talk to us about your policy

We can only talk about **your** policy to **you** or someone **we**'re satisfied that **you**'ve authorised to talk to **us**, on **your** behalf.

Communications

When **you** contact **us**, personal information that **you** give **us** will be recorded. This helps **us** improve **our** customer service, train **our** staff, respond to complaints and prevent fraud and other financial crime.

All communications will be in English. **You** can get this document from **us** in Braille, large print or audiotape by contacting **us**.

Cookies

We use cookies to enhance **your** online experience and help **us** understand how **our** website can be improved. **We** don't store any contact details or banking information and **we**'ll only remember **your** last visit. If **you** want to find out more or stop **us** from using cookies, please see **our** cookie policy on **our** website for more information.

IMPORTANT INFORMATION CONTINUED

If **you** buy a policy from **us** **we**'ll keep all personal information for 7 years after the policy ends to ensure **we** meet **our** statutory and regulatory obligations (eg as laid down by the HMRC, MIB), and to allow **us** to manage complaints or claims.

From 7 years and up to 40 years after the policy ended **we**'ll keep the personal information **we** need for analysis purposes (eg risk and business modelling such as for pricing) and so that **we** can identify who and what was covered by the policy. Beyond 40 years **we**'ll keep information **we** need for longer term analysis (eg weather event modelling).

In exceptional cases **we** may need to keep claim information for longer than 40 years (eg where serious injury has occurred and there is potential need to provide life-long care to an injured person).

If any of the details on **your proposal form or statement of fact** change, **you** must tell **us** as soon as possible. If **you** are not sure whether **you** need to tell **us** about certain facts, **you** should give **us** the information anyway, or contact **your insurance adviser** for advice. **You** should keep a record of the information **you** give in relation to this **contract of motor insurance**. If **you** did not or do not give full and accurate information, this **contract of motor insurance** may be invalid and **we** may refuse to deal with any claim **you** might make.
