- Take photographs of any damage to the vehicles involved.

Section 1

Liability to others

Driving your vehicle

We will provide insurance for any accident you have while you are driving, using or in charge of your vehicle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is £20,000,000 for any claim or claims arising out of one incident.

We will pay up to £5,000,000 for any costs and expenses arising out of a claim or claims arising from one incident.

If there is a property-damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Driving other vehicles

We will also provide the cover shown above (if this is shown on your certificate of motor insurance), to drive any private car that you do not own and have not hired under a hire-purchase or leasing agreement - as long as you have the owner's permission to drive the car.

You are not insured against:

- any loss or damage to the vehicle you are driving;
- any event which happens outside of the United Kingdom;
- any legal responsibility if you no longer have the insured vehicle;
- any event which happens when this insurance is not in the name of an individual person;
- any legal responsibility unless the vehicle is insured against third party road risks, in its own right; or
- securing the release a vehicle that has been seized by or on behalf of the police or any public or local authority.

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people.

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition.
- Any passenger who has an accident while travelling in or getting into or out of the insured vehicle, as long as you ask us to cover the passenger.

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Business use

If your certificate of motor insurance allows business use, we will insure your employer or business partner against the events shown above under 'Driving your vehicle' while you are working for that employer or partner, but not while using a vehicle provided by the employer or partner unless that vehicle is shown on your schedule.

Legal costs

In respect of any event which is covered under this Section, if we first agree in writing, we will arrange and pay:

- solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction;
- the costs for legal services to defend anyone we insure against any prosecution arising from any death; and
- all other legal costs and expenses we agree to.

The most we will pay for legal costs is £35,000 for any claim or claims arising out of one incident.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Acts.

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer or a broken-down vehicle (as allowed by law).

We will only provide this cover if:

- the caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment made for the purpose; and
- the method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law.

We will not pay any claim arising from:

- loss of or damage to the towed caravan, trailer or broken-down vehicle;
- loss of or damage to any property being carried in or on the towed caravan, trailer or broken-down vehicle;
- a caravan, trailer or broken-down vehicle being towed for reward;
- towing more trailers than the number allowed by law; or
- if more than one caravan or broken-down vehicle is being towed at any one time.

Exceptions to Section 1

This section of your insurance does not cover the following

- 1 Anyone who can claim for the same loss from any other insurance.
- 2 Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance.
- 3 For:
 - a damage to or loss of property belonging to or in the custody or control of the Insured;
 - b damage to anything which either is being carried in or on your vehicle, or is being carried in or on any trailer or other vehicle which is being towed by or attached to your vehicle.
- 4 Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event.

This exception:

- relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour or gas leaking or being released; and
- includes contamination or pollution of any building or other structure, water, land or the air.

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour or gas being deliberately released or leaks caused by the failure to maintain or repair your vehicle, or any part of it.

- 5 Death, bodily injury or damage arising as a result of loading or unloading your vehicle somewhere other than on the road by anyone apart from the driver or attendant.

Section 2

Loss of or damage to your vehicle

This cover only applies to your vehicle

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- accidental or malicious damage, flood damage or vandalism;
- fire, lightning, self-ignition and explosion; or
- theft or attempted theft, or taking your vehicle away without your permission.

For a claim under this section we may either:

- pay for the damage to be repaired;
- pay an amount of cash to replace the lost or damaged item; or
- replace the lost or damaged item.

The most we will pay will be either:

- the market value of your vehicle (including its accessories) immediately before the loss up to the value shown on your schedule, or, if it applies, the agreed value shown on your schedule; or
- the cost of repairing your vehicle;

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown on your schedule, you have agreed to pay that amount for each incident of loss or damage.

If more than one vehicle is insured on your policy and they are involved in the same incident, the excess shown on your schedule will apply to each vehicle separately.

Windscreen damage (comprehensive cover only)

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen.

The helpline number is 0333 305 8120.

This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

The following excesses apply to a windscreen claim but there is no limit on the cost of the windscreen:

- If your windscreen is replaced by our approved supplier, you must pay the first £75 of any claim.
- If your windscreen is repaired by our approved supplier, you must pay the first £10 of any claim.
- If your windscreen is repaired or replaced by any other company, you must pay the first £125 of any claim.

If the only claim you make is for broken glass in your vehicle's windscreen or windows, including bodywork scratched by the breakage, it will not affect your no claim bonus

Extra excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced driver (including yourself) is driving, you will have to pay the first amount of any claim as shown below. This is on top of any other excess that you may have to pay.

Drivers	Amount
Under 21 years of age	£300
Aged 21 to 24 years	£200
Aged 25 years or over who has a provisional driving licence or has not held, for 12 months or more, a full driving licence issued by any country which is a member of the European Union.	£200

These amounts do not apply if the loss or damage is caused by fire or theft.

Recovery and redelivery

After any claim under this section we will pay the cost of moving your vehicle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your vehicle back to you in the United Kingdom after repair.

Do not try to move your vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your vehicle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged vehicle must be agreed by us. If you arrange storage without our prior knowledge and consent we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

If your vehicle is damaged in any way which is covered by this insurance, you should contact us immediately. We can, if you wish, organise for our approved repairers to repair your vehicle.

Where your vehicle does not exceed 3.5 tonne GVW, (and subject to using our approved repairer for the repair of your vehicle), our approved repairer, will, upon request and subject to availability, supply you with a courtesy car for the duration of the vehicle repair or until your policy expires, whichever is the sooner.

If your vehicle cannot be driven safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, any party handling repairs to an insured vehicle should retain for our inspection: a fully costed estimate, all damaged parts and images of the damaged areas of the insured vehicle.

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under this Section.

We may arrange for your vehicle to go to a repairer we choose if we cannot reach an agreement with the repairer over costs.

We may use recycled or non-original parts and equipment when repairing your vehicle.

Section 2

Loss of or damage to your vehicle

Total loss (write-off)

If the cost of repairing your vehicle is greater than the market value of your vehicle, we will offer you an amount in settlement of your claim. The insurance for your vehicle will end when you accept that offer.

If your insurance covers more than one vehicle, it will remain in force for any vehicles that have not been declared a total loss.

When deciding whether your vehicle is a total loss, we use the Association of British Insurers (ABI) Code of Practice for the Disposal of Motor Vehicle Salvage.

Category A: Scrap only - Your vehicle suffers extensive damage with few or no salvageable parts and is of value as scrap metal only.

Category B: Break for spare parts - Your vehicle should not be repaired e.g. heavy damage, bent chassis.

Category S: Repairable - Your vehicle has sustained structural damage. Must be re-registered with the DVLA before being put back on the road.

Category N: Repairable - Your vehicle has sustained non-structural damage. Don't need be re-registered with the DVLA, but the DVLA need to be informed of the vehicle having been written off.

You will not receive a refund of premium if your insurance ends due to the total loss of your vehicle. If your vehicle is classed as a category C total loss, you may retain your vehicle and the policy will, at your request, continue.

Any settlement will be less any excess and less the value of the salvage.

The value of the salvage will be determined by us.

Should your vehicle be involved in a further incident, we will not provide any cover unless you can evidence that your vehicle had been restored to its pre total-loss condition before this incident.

If we ask, you must send us your vehicle registration document (V5c), MOT certificate, the purchase receipt for the vehicle, all keys and any other relevant documentation before we agree to settle the claim.

Once we have made a payment, your vehicle becomes our property unless we agree otherwise. You may keep the salvage if your vehicle is over 20 years of age.

If the vehicle belongs to someone else, we will normally pay an amount to the vehicle's owner for the total loss of the vehicle.

If there is any outstanding loan or finance on your vehicle, we may pay the finance company up to the amount of the outstanding loan or finance first. If our estimate of market value is more than the amount you owe them, we will pay you the rest. If our estimate of the market value is less than the amount you owe, you may have to pay them the balance.

If your vehicle is leased or on contract hire, we may pay the leasing or contract-hire company first. If our estimate of the market value is more than the amount you owe the leasing or contract-hire company, the amount we pay them will settle the claim. If our estimate of the market value is less than the amount you owe, you may have to pay them the balance.

When working out the value of the vehicle we may take into account any discount on the manufacturer's recommended retail price that you received when you purchased the vehicle.

Audio, visual, communication, guidance or tracking equipment

The cover provided by this policy includes loss of, or damage to, permanently fitted audio, visual, communication, guidance or tracking equipment that formed part of your vehicle when it was originally made.

We will pay up to £500 for any permanently fitted equipment that was not part of your vehicle when it was originally made.

When your vehicle is being serviced

The cover provided under this section will still apply when your vehicle is being serviced or repaired. While your vehicle is in the hands of the motor trade for a service or repair, we ignore any restrictions on driving or use (as shown on your certificate of motor insurance).

Dismantled parts

We will pay up to the value of your vehicle for parts taken from your vehicle which are kept in a locked building at the address shown on your proposal form or statement of facts, or another address we agree to.

Cherished Number Plate

If, as a result of a valid total loss/theft claim under this policy, you are totally and irrevocably deprived of the use of the cherished registration number attached to the insured vehicle, we will pay (up to a maximum of £10,000) the amount equal to the value determined by a member of the Cherished Numbers Dealers Association. We will not be liable for losses occasioned by or happening through any of the following scenarios:

- Your permanent disqualification from driving.
- Confiscation, seizure or detention by Customs, or other officials or authorities.
- If you or any company you are associated with is in liquidation or bankrupt.

Should the number be re-issued by the DVLA, the entitlement to use the number will transfer to us.

Exceptions to Section 2

This section of your insurance does not cover the following:

- 1 The amount of any excess shown on your schedule.
- 2 Any amount as compensation for you not being able to use your vehicle (including the cost of hiring another vehicle).
- 3 Wear and tear.
- 4 Failures, breakdowns or breakages of mechanical, electrical, electronic or computer equipment.
- 5 Your vehicle's value reducing, including loss of value as a result of damage, whether the damage is repaired or not.

- 8 Damage due to liquid freezing in the cooling system, unless you have taken reasonable precautions as laid down by the vehicle manufacturer's instructions.
- 9 Loss of or damage to accessories unless they are permanently attached to your vehicle.
- 10 Any amount over the last-known list price of any part or accessory or the cost of fitting any part or accessory if the vehicle manufacturer or its agent cannot supply it from stock held in the United Kingdom. (This exception does not apply where any applicable part or accessory is no longer commercially available from the vehicle manufacturer or their agents in the United Kingdom).
- 11 Loss of or damage to your vehicle as a result of deception.
- 12 Loss resulting from repossessing your vehicle and returning it to its rightful owner.
- 13 Loss of or damage to your vehicle or its contents by theft or attempted theft or an unauthorised person taking and driving it if:
 - it has been left unlocked (if locks are fitted to your vehicle);
 - it has been left with the keys (or any form of keyless entry / ignition control device), in it or on it; or
 - you have not taken reasonable precautions to protect it.

Section 2

Loss of or damage to your vehicle

- 14 Loss of or damage to your vehicle resulting from a member of your immediate family, or a person living in your home, taking your vehicle without your permission, unless that person is convicted of theft.
- 15 Loss of or damage to any vehicle which you are driving or using that does not belong to you, is not being bought by you under a hire-purchase agreement or is leased to you (unless that vehicle is shown on your schedule).
- 16 Loss of or damage due to confiscation, requisition or destruction by or under the order of any government, public or local authority.

Sanctions

We shall not provide cover nor be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us or any member of our group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of any country

* These covers may be available upon request. Please enquire with ClassicLine for Terms and Conditions

General conditions

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your policy, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The vehicle must have an MOT (unless exempt), be taxed, insured and registered in the UK and you must:

- take all reasonable steps to protect your vehicle from loss or damage;
- maintain your vehicle in a roadworthy condition; and
- let us examine your vehicle at any reasonable time.

Changes to your details

You must tell us immediately about any changes to the information you have already provided. Please contact ClassicLine if you are not sure if information is relevant. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of vehicle (including extra vehicles and any temporary vehicles).
- All changes you or anyone else make to your vehicle if these make your vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic).
- A change of address.
- A change of job, including any part-time work by you or other drivers, a change in the type of business or having no work.
- A change in the purpose for which you use your vehicle.
- A new main user of your vehicle.
- Details of any driver you have not told us about before, or who is not specifically entitled to drive by the certificate of motor insurance or is excluded by an endorsement, but who you now want to drive.
- Details of any motoring conviction, disqualification or fixed-penalty motoring offence of any person allowed to drive or of any prosecution pending (where a case is being investigated but there is no conviction yet) for any motor offence.
- Details of any non-motor conviction or prosecution pending (where a case is being investigated but there is no conviction yet) for any person allowed to drive.
- Details of any accident or loss (whether or not you make a claim) involving your vehicle or that happens while you (or anyone who is entitled to drive under this insurance) are driving anyone else's vehicle.
- If any driver suffers from a disability or medical condition that must be revealed to the DVLA, whether or not the driving licence has been restricted.

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to help us deal with your claim. We will only ask for this if it is relevant to your claim.

You are required to notify us of a claim within 72 hours of its occurrence. If you fail to do this, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act.

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under section 1. (We will take from this amount any amounts we have already paid as compensation.) When we pay this amount, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on or refuse any claim unless you have our permission.

We can:

- take over, carry out, defend or settle any claim; and
- take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance.

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If, under the law of any country which this insurance covers you in, we must settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.

General conditions

Dispute resolution (See also the complaints process)

Where the Financial Services Ombudsman or The Office of the Arbiter for Financial Services process does not apply to you, or has been exhausted, any dispute between you or any party covered by this insurance and us arising out of this insurance should be referred to a mediator to be agreed by the parties within fourteen (14) days of a written notice served on one party by the other requesting such an agreement.

If a mediator is not agreed, then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties shall share equally the costs of CEDR and of the mediator and the reference, conduct and any settlement of the dispute at mediation will be conducted in confidence.

The parties shall continue to perform their respective continuing obligations under this insurance, if any, while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations.

If any such dispute is not resolved by mediation or the parties cannot agree upon the appointment of a mediator or the form that the mediation will take, the dispute will be referred by either party to courts, subject to the law and jurisdiction set down in the Applicable law clause.

Misrepresentation

In accordance with the Consumer Insurance (Disclosure and Representations) Act 2012, whenever you provide information to us or make changes to this policy (at inception, renewal or mid-term) you must disclose to us all material facts in a clear and accessible manner and take reasonable care not to make a misrepresentation of those facts.

If you do not comply with this clause and any non-disclosure or misrepresentation of the facts by you is proven by us to be deliberate or reckless, we will void this policy, which means that we will treat it as if it had never existed and refuse all claims. We will not return the premium paid by you.

If you do not comply with this clause and the non-disclosure or misrepresentation of the facts is not deliberate or reckless this policy may be affected in one or more of the following ways depending on what we would have done if we had known about the facts which you failed to disclose or misrepresented:

- 1 If we would not have provided you with any cover we will have the option to void the policy which means that we will treat it as if it had never existed and repay the premium paid, and recover from you any amount we have already paid for any claims including costs or expenses we have incurred;
- 2 If we would have applied different terms to the cover we will have the option to treat this policy as if those different terms apply and/or reduce proportionately the amount paid or payable on any claim, with our proportion of the liability being calculated by comparing the amount of premium paid as a percentage of the premium you would have paid had you made a fair presentation.

Cancellation

"14 days cooling off period"

If this insurance does not meet your needs, you may cancel it, without giving reason, by contacting ClassicLine within 14 days of the policy start date and declare your requirement to cancel.

We will make a charge equal to the period of cover you have had but this will be subject to a minimum amount of £25 (plus insurance premium tax (IPT) where applicable), except where an incident has occurred which may give or has given rise to a total loss claim, in which case the full annual premium will be payable to us.

The 14-day period applies to new policies and the renewal of existing policies.

Outside "14 days cooling off period"

We will refund based on the annual premium in accordance with the following scale:

Period of cover	Refund
Up to 30 days	60%
31 - 60 days	40%
61 - 90 days	20%
Over 90 days	Nil

Refunds will be passed to ClassicLine who will deduct any fees or administration charges you have agreed with them under your Terms of Business agreed with them.

Under Sections 12 and 13 there is no return of premium outside of the 14-day cooling off period.

If any claim has been made in the current period of insurance, you must pay the full annual premium and you will not be entitled to any refund.

You may cancel this insurance by declaring to ClassicLine, your requirement to cancel.

We or ClassicLine may cancel this insurance by sending seven days' notice, in writing, to your last known address.

Your insurance may be cancelled because:

- you have not paid when due, a premium on an instalment plan;
- you or anyone else covered by this insurance has not met the terms and conditions of the insurance;
- you have not provided documentation requested by us or ClassicLine (such as a copy of your driving licence or evidence of no claim bonus);
- a change in your circumstances means we can no longer provide cover;
- you misrepresent or fail to disclose information that is relevant to your insurance; or
- you harass any member of our staff or show abusive or threatening behaviour towards them.

This is not an exhaustive list.

For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

The Data Protection laws classify information about your medical conditions, disabilities and criminal convictions as 'special category' personal data which warrants extra protection. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for processing of your personal information, and the disclosure that may be made, can be found on the website: www.classiclineinsurance.co.uk/privacy-policy/

Accepting and administering your policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk
- Make decisions about providing and dealing with insurance and other related services for you and members of your household
- Set price levels for your policy
- Confirm your identity to prevent money laundering
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance;
 - If there is an accident or a claim; or
 - At the time you renew the policy.

Important notices and information

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.classiclineinsurance.co.uk/privacy-policy/

Motor Insurance Database

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). Certain government or authorised organisations including the police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport);
- Electronic vehicle licensing;
- Law enforcement for the purposes of preventing, detecting, catching or prosecuting offenders; and
- Providing government services or other services aimed at reducing the level of uninsured driving.

If you are involved in a road-traffic accident (either in the UK, the EEA or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, others involved in the incident, their insurer, their solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claim and conviction history.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- training and quality control
- as evidence of conversations
- for the prevention or detection of crime (e.g. fraudulent claims).

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also share your information with law enforcement agencies, other organisations and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register operated by the Motor Insurers' Bureau (MIB). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities;
- Managing credit and credit related accounts or facilities
- Recovering debt;
- Checking details on proposals and claims for all types of insurance;
- Checking details of job applicants and employees.

Details of the registers, databases and fraud prevention agencies we use may be requested from the Company Secretary at:

Address First Underwriting, Old Park Farm Business Centre, Ford End, Chelmsford, Essex, CM3 1LN

Cheat line

To protect our policyholders, we are members of the Insurance Fraud Bureau (IFB). If you suspect insurance fraud is being committed, you can call them on their confidential cheat line on 0800 422 0421.

Retention

We will keep your personal data only for as long as is necessary for the purpose for which it was collected. In particular, we will retain your information for as long as there is any possibility that either you or we may wish to bring a legal claim under or relating to your insurance, or where we are required to keep your information for legal or regulatory purposes.

Your rights

You have rights under the Data Protection laws including the right to access the information we hold about you (subject to any legal restrictions that may apply), to have the information corrected if it is inaccurate, and to have it updated if it is incomplete. In certain circumstances you may have the right to restrict or object to processing, to receive an electronic copy of your data ("data portability") or to have your data deleted. You can also find out about any automated decisions we make that affect your insurance or premiums.

If you wish to exercise any of your rights, please contact us the Compliance Officer at:
